

CHARACTERISTICS

- Universal powerful multi-purpose cleaner
- Ready to use
- Cleans and degreases
- Cleans without rubbing in most cases
- With fresh scent
- Non-flammable and not classified as hazardous according to CLP: a safer alternative to solvent-based cleaners such as kerosene, trichlorethylene, benzene, white spirit, etc.
- On waterbase

APPLICATIONS

- Removing uncured sealant, adhesive residue, non-dried paint, ink, all oils and fats (mineral, vegetable and animal), organic pollution, nicotine, carbon deposits, fungi and other stubborn dirt.
- Cleaning of floors, walls and other surfaces made of concrete, rubber, natural stone, plastic, metal, PVC, epoxy, tiles, wood ...
- Cleaning of machines and machine parts, engines, vehicles and vehicle interiors (car, bicycle, motorcycle, caravan, buses, boats, truck tarpaulins ...), carbon deposits after fire, extraction systems, cooker hoods...
- Suitable for lightly and heavily polluted surfaces and parts.
- Can be used in various industries: automotive, petrochemical, cosmetics, printing, pharmaceutical, industrial cleaning, construction, transport, marine, food industry (always rinsing with potable water), etc.
- Degreasing of surfaces before gluing, sealing, coating...

TECHNICAL CHARACTERISTICS	
Chemical base	Isopropanol in aqueous solution
Physical state (20°C)	Liquid
Colour	Yellow
Scent	Citrus
pH at 20°C	9
Solubility	Water
Shelf life in unopened packaging when stored between +5°C and + 25°C	2 years

PACKING
14 spray bottles of 500 ml / box – 48 boxes / pallet
12 spray bottles of 1 l / box – 45 boxes / pallet

METHOD OF USE

Application

- **Multi-Purpose Super Cleaner** does not need to be diluted.
- **Multi-Purpose Super Cleaner** can only be used manually in an spray or nebulizer under low pressure.
- Spray evenly on the dirty surface, from bottom to top if horizontal.
- In case of heavy pollution, let the cleaner work in it, without letting it dry. Sand with a semi-hard brush if necessary.
- Remove dirt manually with an absorbent cloth.
- If necessary, rinse or spray with water.
- Repeat the treatment if necessary.
