Shelf life after opening	6 months

## PACKING AND COLOURS

6 x can Piece/box - 396 pieces/pallet

## METHOD OF USE

### Preparation

- It is recommended to carry out tests on every surface before use.

### Application

- Do not add water or soap.
- Pull a wipe through the slot and close the lid to prevent remaining wipes from drying out.
- Rub it between the hands until the dirty is removed.
- For best results, clean adhesive, PU-foam or sealant spills immediately.
- Warning: Tests must be done prior before use on a non-visible place.

## SAFETY

Consult the safety information on the packaging and the safety data sheet for more information.

## POINTS OF ATTENTION

Do not use to degrease surfaces before applying joint and/or adhesive sealants.
